Gentlemen:

It is indeed a pleasure to be able to tell you how well pleased we are with the maps which you prepared for our sales control and analysis purposes.

The mounting of these maps on your "Silvertone" wing fixtures allows us to have the maps for all of the Canadian market on the wall space usually occupied by one map. These maps give us graphic control of all our sales districts and individual sales territories, and portray the necessary information in a highly satisfactory manner. This map equipment has proved so efficient and informative that we would not hesitate to recommend a similar system to any national organization requiring the same type of information.

Yours very truly,

Advertising & Sales Promotion Manager.

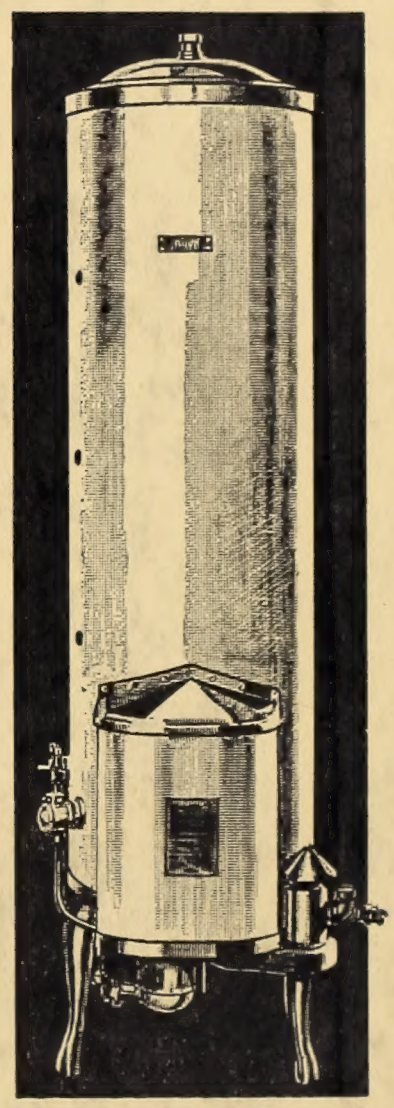
$1.50 DOWN - 5 YEARS TO PAY

DEPARTMENT OF BUILDINGS
TORONTO



When you have a HOT-TOP automatic gas water heater installed in your home, you have an all-the-year-round comfort that you would not willingly give up. Here is a gas appliance you can install and forget as far as your hot water supply is concerned, for at every hot water tap in the home you will find without any more effort than turning the tap, a waiting supply of hot water for every household purpose.

Terms are easy as you pay for the Hot-Top over five years. Its sturdy tank is unconditionally guaranteed against leakage for eight years. Go to the nearest gas company store and have a demonstration of the MODERN automatic water heater. Compare its service with your present hot water supply and you will be convinced. Remember, too, that there is no extra charge for installation if you have gas in the home.
